Brand

VESSEL

Vessel

Founded in May 1916, Vessel is one of the leading manufacturers of professional tools, with a longstanding commitment to quality, innovation, value for money, and customer satisfaction.

The company places particular emphasis on environmental sustainability through the development of durable products, the use of recycled materials, resource-recovery-oriented design, and the minimization of its environmental impact. Over the course of more than a century, a commitment to quality has become the brand's hallmark: "VESSEL – Mark of Quality."
