Double-action scissors (round-tipped)

Categories: A-Automation Systems, Automation Cutters · **Brand:** Vessel

Description

No blade return spring.
The dual-action mechanism allows for precise opening and closing of the blade.
Faster operation compared to models with a spring.

Capacity Ø (mm)			Air consumption (cm³/stroke)	Dimensions

Brand

VESSEL

Vessel

Founded in May 1916, Vessel is one of the leading manufacturers of professional tools, with a longstanding commitment to quality, innovation, value for money, and customer satisfaction.

The company places particular emphasis on environmental sustainability through the development of durable products, the use of recycled materials, resource-recovery-oriented design, and the minimization of its environmental impact. Over the course of more than a century, a commitment to quality has become the brand's hallmark: "VESSEL – Mark of Quality."
