TBK Brushless Electric Screwdriver

Categories: M-Hand Tools, Torque-Controlled Screwdriving · **Brand:** Kilews

Description

The TBK series is ideal for high-torque, ergonomic operations, thanks to its pistol-grip design and 40V brushless motor.
Available in two versions:
D: Bottom-fed
U: Top-feed
Designed for heavy-duty industrial applications, it ensures precise, stable, and repeatable tightening. Mechanical stop when torque is reached, adjustable by turning a simple ring nut. SKP-40B-HL800N and/or SKP-BC40HL-800 power supply must be ordered separately
x= D: Bottom feed
x= U: Top feed

Brand

Kilews

Founded in July 1984 with six employees, Kilews is now a global leader in the industrial electrical assembly sector, specializing in the development of electric screwdrivers and fastening systems powered by electric and electronic motors.
